National cup game in Tralee

Sligo All Stars travel to Tralee on Saturday for the second leg of their National Cup fixture with Kellihers and with a nineteen points advantage from the home game which they won 71-52, they should at least get the points for a win on aggregate.

The All Stars have not yet picked their panel for the match as it is not yet known if Brian McHugh and Tony O'Hara will be available. In the absence of these players, much would depend on reserves Anthony Cronnelly, Gerry Monaghan, and Buggy O'Hara who are quite capable of filling any vacancies on the side.

Following their impressive performance at the recent U.S. Navy tournament in Derry All Stars will hold no fear of the Tralee side but they can expect a very determined bid by the Southerners who will have the support of a great home following.

All Stars cannot afford to let this opportunity slip because U.S. Navy, the other team in their pool, are fancied to take full points from the Munster team.

Sligo All Stars:— G. Monaghan, J. McGowan, R. Burns, I. Palmer, B. O'Hara, A. Cronnelly, T. O'Hara, B. McHugh, T. Mulligan.

All Stars' A.G.M.
